

STUDENT'S OBSERVATION OF COLLEGE

» Ashley English Language Institute

My name is Javkhlan Bayaraa nicknamed Jaggi. I am a 41-year-old person from Mongolia. In May 2023, I became a student at the Ashley English Language Institute (AELI) in Sydney, Australia. It was the first opportunity for me to celebrate the White Moon or Mongolian Lunar Year in a foreign country. Every year, Mongolians celebrate Tsagaan Sar or Mongolian New Year on a new moon day at the end of January or February for three days to mark the end of the winter and welcome a flourishing spring of the new year.

It is a popular family holiday to visit parents, relatives, neighbors, and friends. It was very memorable for me. Students from Nepal, India, Malaysia, Vietnam, Thailand, Mongolia, Columbia, Brazil, Argentina, Peru, Ecuador, etc. study in our class. The celebration of the White Moon delighted them. The Mongolian students brought Mongolian food and shared it with the students of other communities from different nationalities. We also sang our national song. We had a wonderful multicultural experience. My class teacher is very fun-loving, and he always supports us. I gave my national dress (DEEL) to him as a souvenir from Mongolia. He liked it very much.

New Year and Halloween are my favorite holidays. Last year's Halloween was the most memorable for me. Halloween is celebrated on the last day of October, which is 31 October. My birthday is in October, so I celebrated Halloween with my classmates at Ashley English Language Institute in a special way for the first time in Australia. We wore Halloween costumes and had a party with singing and dancing. The college organized the refreshing event as part of the college's regular extracurricular activities. The college encouraged us to host the event as the emcees. We had great socializing and feasting during the fun games held at the college.

STUDENT'S TESTIMONIALS

Khusbuben Dipakkumar Patel

Studying at Sydney Metro College has been a thrilling experience. We joined the college as it has been consistently delivering excellent education and activities for the students. It has been found that it is living up to students' expectations. It offers a vibrant academic environment with cultural diversity. We are truly appreciative of its Innovative learning approaches. We have been provided access to the world class resources. We learn from qualified and experienced trainers. The staff are very friendly and supportive. I strongly believe that college truly enriches my educational journey.

Sarthak Manandhar

I am feeling so good studying here at Sydney Metro College. I came to Australia in 2022 and started studying with Md Yousuf Ali Mondal. He was one of the best teachers in my lifetime. He guided me in each and every work of my assignment. Also, the college administration is very humble and very supportive. I am proud to have taken the right step in the right direction. I have good reasons to hope that my future in my chosen career will be better. Finally, I want to ask who else is coming to study at SMC, please feel free to join the college and focus on your study.
